

## \*Article On Pollution\*

\*Pollution\* is a serious issue affecting our planet today, yet many people continue to turn a blind eye thinking that it's not that serious. Modern society is also concerned about specific types of pollutants, such as \*noise\* \*pollution\* , \*light pollution\* , and \*plastic\* \*pollution\* . Pollution of all kinds can have negative effects on the environment and wildlife and often impacts human health and well-being. Pollution is a global problem. Although urban areas are usually more polluted than the countryside, pollution can spread to remote places where no people live. It is the responsibility of everyone to protect our environment let us fulfill our responsibilities in environmental protection creating a quality ecological environment and sharing wonderful green living together.
